RULE 12. General Decorum. – (a) The Speaker shall preserve order and decorum.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. – (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table shall not be paired with a motion to reconsider.

(d) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(e) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(f) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider

(d) If the previous question is decided in the negative, the question remains under debate.

IV. Voting

RULE 20. Use of Electronic Voting System. – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

- (1) The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
 - a. Raising money on the credit of the State,
 - b. Pledging the faith of the State for the payment of a debt,
 - c. Imposing a State tax, or
 - d. Authorizing a county, municipality, or other local governmental unit to
 1. Raise money on its credit,
 2. Pledge its faith for the payment of a debt, or
 3. Impose a local tax.
- (2) All measures affecting a fee imposed by the State or any subdivision thereof.
- (3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.
- (4) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.
- (5) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:

- (1) Second reading of all public bills, all amendments to public bills offered after

second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

(2) Upon a call for division.

(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine

and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

- (1) To adjourn.
- (2) To lay on the table.
- (3) Previous question.
- (4) To postpone indefinitely.
- (5) To reconsider.
- (6) To postpone to a day certain.

- (7) To re-refer.
- (8) To amend an amendment.
- (9) To amend.
- (10) To concur or not concur.
- (11) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. – (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'", and after the affirmative voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. – (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. – (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief oral statement of the reasons for making the request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. – Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. – In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. – (a) The Speaker shall appoint a chair, or cochair, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House, except that the standing committees on Congressional Redistricting and Legislative Redistricting shall have an equal number of members of the two parties having the largest membership in the House.

(d) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(e) The chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(f) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. For purposes of determining a quorum, the Speaker Pro Tempore, Majority Leader, Majority Whips, and the person designated by the Speaker when serving only as ex officio members under subsection (h) of this rule, shall be counted among the membership of the committee or subcommittee only when present.

(g) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

(h) The Speaker Pro Tempore, Majority Leader, two Majority Whips, and one member designated by the Speaker at the time of appointments of chairs of standing committees are ex officio members of every standing committee and permanent subcommittee, except the standing committees on Congressional Redistricting and Legislative Redistricting and any permanent subcommittees thereof, with the right to vote. No more than three of these persons may vote under the authority of this subsection at any committee meeting.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

- (1) 15 minutes preceding a regular session of the House, and
- (2) 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative

If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. – (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

(1) Dismiss the complaint and take no further action.

(2) Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

(3) Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional, or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.

The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the Chair of the standing committee or permanent subcommittee. The

standing committee or permanent subcommittee Chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. – The Chair of a standing committee or a permanent subcommittee shall insure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 20 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Standing Committee of the Whole House. – (a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a Chair to preside in the standing committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Standing Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by

sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee, and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. – (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of

public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows:

"House Committee Substitute for _____".

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

RULE 31.1. Deadlines on Introduction and Receipt; Single Subject Rule. – (a) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 2001 Regular Session of the General Assembly, or to report prior to convening of that session, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the third Wednesday in February (February 21) and must be introduced not later than 3:00 P.M. on the next Wednesday (February 28) of the first year of the biennial session; and

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the third Wednesday in February (February 21) and must be introduced not later than 3:00 P.M. on the next Wednesday (February 28). A bill

introduced under this subsection shall be identified as an Agency Bill after its short title.

(a2) All local bills must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the third Wednesday in March (March 21) and must be introduced not later than 3:00 P.M. on the next Wednesday (March 28) of the first year of the biennial session.

(c) All public bills which under Rule 38 would be required to be re-referred to the Appropriations Committee, or to both the Appropriations and Finance Committees, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the third Wednesday in April (April 18) and must be introduced not later than 3:00 P.M. on the next Wednesday (April 25) of the first year of the biennial session. All public bills which under Rule 38 would be required to be re-referred to the Finance Committee but not the Appropriations Committee must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the first Wednesday in May (May 2) and must be introduced not later than 3:00 P.M. on the next Wednesday (May 9) of the first year of the biennial session. If any bill is eligible for introduction on account of the date only under this subsection, and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this section, a "tax law change" includes any

provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committees under Rule 38 or adjournment resolutions, must be received and read on the floor of the House as a message from the Senate no later than April 26; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(d1) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.

(e) This rule, other than subsection (d1), does not apply to bills establishing districts for Congress or State or local entities. This rule, other than subsection (d1), does not apply to measures ratifying an amendment or amendments to the Constitution of the United States.

RULE 32. Reference to Standing Committee and to Permanent Subcommittees; Serial Referrals. – (a) Each bill, joint resolution, or House resolution not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another

committee or permanent subcommittee designated in the order.

(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

- (1) Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;
- (2) Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;
- (3) Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

- (5) Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair; or
- (6) Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if

approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. – Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required. – (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B.____." (No. following). A Joint Resolution shall be designated as "H.J.R. ____." (No. following). A House Resolution shall be designated as "H.R.____." (No. following).

(c) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing 30 copies and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

RULE 35. Duplicating and Availability of Copies of Bills.

– (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee assistant or legislative assistant who shall place it in the appropriate notebook on the member's desk. Sec. 22. Action on bills.

(1) *Bills subject to veto by Governor; override of veto.* Except as provided by subsections (2) through (6) of this section, all bills shall be read three times in each house and shall be signed by the presiding officer of each house before being presented to the Governor. If the Governor approves, the Governor shall sign it and it shall become a law; but if not, the Governor shall return it with objections, together with a veto message stating the reasons for such objections, to that house in which it shall have originated, which shall enter the objections and veto message at large on its journal, and proceed to reconsider it. If after such reconsideration three-fifths of the members of that house present and voting shall agree to pass the bill, it shall be sent, together with the objections and veto message, to the other house, by which it shall likewise be reconsidered; and if approved by three-fifths of the members of that house present and voting, it shall become a law notwithstanding the objections of the Governor. In all such cases the votes of both houses shall be determined by yeas and nays, and the names of the members voting shall be entered on the journal of each house respectively.

(2) *Amendments to Constitution of North Carolina.* Every bill proposing a new or revised Constitution or an amendment or amendments to this Constitution or calling a convention of the people of this State, and containing no other matter, shall be submitted to the qualified voters of this State after it shall have been read three times in each house and signed by the presiding officers of both houses.

(3) *Amendments to Constitution of the United States.* Every bill approving an amendment to the Constitution of the United States, or applying for a convention to propose amendments to the Constitution of the United States, and containing no other matter, shall be read three times in each house before it becomes law, and shall be signed by the presiding officers of both houses.

(4) *Joint resolutions.* Every joint resolution shall be read three times in each house before it becomes effective and shall be signed by the presiding officers of both houses.

(5) *Other exceptions.* Every bill:

- (a) In which the General Assembly makes an appointment or appointments to public office and which contains no other matter;
- (b) Revising the senate districts and the apportionment of Senators among those districts and containing no other matter;
- (c) Revising the representative districts and the apportionment of Representatives among those districts and containing no other matter; or
- (d) Revising the districts for the election of members of the House of Representatives of the Congress of the United States and the apportionment of Representatives among those districts and containing no other matter,

shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses.

(6) *Local bills.* Every bill that applies in fewer than 15 counties shall be read three times in each house before it becomes law and shall be signed by the presiding officers of

both houses. The exemption from veto by the Governor provided in this subsection does not apply if the bill, at the time it is signed by the presiding officers:

- (a) Would extend the application of a law signed by the presiding officers during that two year term of the General Assembly so that the law would apply in more than half the counties in the State, or

(7) *Time for action by Governor; reconvening of session.* If any bill shall not be returned by the Governor within 10 days after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the General Assembly shall have adjourned:

- (a) For more than 30 days jointly as provided under Section 20 of Article II of this Constitution; or
- (b) Sine die

in which case it shall become a law unless, within 30 days after such adjournment, it is returned by the Governor with objections and veto message to that house in which it shall have originated. When the General Assembly has adjourned sine die or for more than 30 days jointly as

provided under Section 20 of Article II of this Constitution, the Governor shall reconvene that session as provided by Section 5(11) of Article III of this Constitution for reconsideration of the bill, and if the Governor does not reconvene the session, the bill shall become law on the fortieth day after such adjournment. Notwithstanding the previous sentence, if the Governor prior to reconvening the session receives written requests dated no earlier than 30 days after such adjournment, signed by a majority of the members of each house that a reconvened session to reconsider vetoed legislation is unnecessary, the Governor shall not reconvene the session for that purpose and any legislation vetoed in accordance with this section after adjournment shall not become law.

(8) *Return of bills after adjournment.* For purposes of return of bills not approved by the Governor, each house shall designate an officer to receive returned bills during its adjournment. (1995, c. 5, s. 1.)

Sec. 23. Revenue bills. No laws shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal.

If after considering these factors the legislator concludes that an actual economic interest does exist which would impair his independence of judgment, then he shall not take any action to further the economic interest, and shall ask that he be excused, if necessary, by the presiding officer in accordance with the rules of the respective body. If the legislator has a material doubt as to whether he should act, he may submit the question to the

(a1) Complaint.

(1) A complaint filed under this Article shall state the nature of the violation, the date the alleged violation occurred, and either (i) that the contents of the complaint are within the knowledge of the individual verifying the complaint or (ii) the basis upon which the individual verifying the complaint believes the allegations to be true.

(3) In the case of a dismissal or private admonishment, the Committee shall retain its records or findings in confidence, unless the individual under inquiry requests in writing that the records and findings be made public. If the Committee later finds that a legislator's subsequent unethical activities were similar to and the subject of an earlier private admonishment then the Committee may make public the earlier admonishment and the records and findings related to it.

- (4) Any action by the Committee under this Article does not limit the right of each house of the General Assembly to discipline or to expel its members. (1975, c. 564, s. 1; 1987, c. 439; 1991, c. 700, s. 2.)

§ 120-104. Advisory opinions.

At the request of any member of the General Assembly, the Committee shall render advisory opinions on specific questions involving legislative ethics. These advisory opinions, edited as necessary to protect the identity of the legislator requesting the opinion, shall be published periodically by the Committee. (1975, c. 564, s. 1.)

§ 120-105. Continuing study of ethical questions.

The Committee shall conduct continuing studies of questions of legislative ethics including revisions and improvements of this Article as well as sections to cover the administrative branch of government and shall report to the General Assembly from time to time recommendations for amendments to the statutes and legislative rules which the Committee deems desirable in promoting, maintaining and effectuating high standards of ethics in the legislative branch of State government. (1975, c. 564, s. 1.)

§ 120-106. Article applicable to presiding officers.

The provisions of this Article shall apply to the presiding officers of the General Assembly. (1975, c. 564, s. 2.)

§ 120-107 to 120-111. Reserved for future codification purposes.

ARTICLE 14A.

Committees on Pensions and Retirement.

§ 120-111.2. Duties.

With respect to public officers and public employees to whom State-administered retirement benefit or pension plans are applicable, the Senate and House Committees on Pensions and Retirement shall:

- (1) Study the benefits, including those available under Social Security and any other federal programs available to the public officers and employees.
- (2) Consider all aspects of retirement and pension financing, planning and operation, including the financing of accrued liabilities of each retirement or pension fund, health program, and other fringe benefits.
- (3) Request the Governor, the State Treasurer, the State Auditor and any other agency or department head which has information relevant to these committees' study to prepare any reports deemed necessary by the committee.
- (4) Recommend legislation which will insure and maintain sound retirement and pension policy for all funds.
- (5) Analyze each item of proposed pension and retirement legislation in accordance with Article 15 of Chapter 120 of the General Statutes.
- (6) Study, analyze, and report on related subjects directed to be studied by joint resolution, resolution of either house of the General Assembly, or by direction of the Speaker of the House or President of the Senate. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 3; 1987, c. 1091, s. 4; 1989, c. 261, s. 2.)

§ 120-111.3. Analysis of legislation.

Every bill, which creates or modifies any provision for the retirement of public officers or public employees or for the payment of retirement benefits or of pensions to public officers or public employees, shall, upon introduction in

either house of the General Assembly, be referred to the Committee on Pensions and Retirement of each house. When the bill is reported out of committee it shall be accompanied by a written report by the Committee on Pensions and Retirement containing, among other matters which the Committee deems relevant, the actuarial note required by Article 15 of Chapter 120 of the General Statutes, and pursuant to the Rules of the General Assembly, and an evaluation of the proposed legislation's actuarial soundness and adherence to sound retirement and pension policy. Any bill referred to the Committee on Pensions and Retirement cannot be further considered by that house until such bill has received a favorable report, a report without prejudice, or has been recalled from that committee.

Whenever a bill is considered by the Committee on Pensions and Retirement that proposes changes in the benefits of any State- administered retirement or pension plan to be financed by unencumbered actuarial experience gains generated either through a change in actuarial assumptions adopted by the plan for the previous budget year or through a continuation of the actuarial assumptions adopted by the plan for the previous budget year, the Committee shall give equal consideration to the effects that such unencumbered actuarial gains would have upon annual employer or State contributions to the plan and to the amount by which the plan's unfunded accrued liabilities, if any, might be reduced. If such unencumbered actuarial experience gains could be used to modify annual employer or State contributions to the plan resulting in a corresponding effect upon State appropriations, the committee on Pensions and Retirement shall, upon a favorable report, refer the bill to the Committee on Appropriations of the same house before the bill is considered by that house. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 4; 1985, c. 187; c. 400, s. 10; 1987 (Reg. Sess., 1988), c. 1110, s. 11.1.)

§ 120-111.4. Staff and actuarial assistance.

Upon application of the chairman of the Senate or House Committee on Pensions and Retirement, the Legislative Services Commission shall provide staff, including actuarial assistance, to aid the committee in its work. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 5.)

ARTICLE I.

Executive Budget Act

§ 143-15. Reduction and increase of items by General Assembly.

The provisions of this Article shall continue to be the legislative policy with reference to the making of appropriations and shall be treated as rules of both branches of the General Assembly until and unless the same may be changed by the General Assembly either by express enactment or by rules adopted by either branch of the General Assembly.

The General Assembly may reduce or strike out such item in the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill as it may deem to be the interest of the public service, but neither House shall consider further or special appropriations until the Current Operations Appropriations Bill shall have been enacted in whole or part or rejected, unless the Governor shall submit and recommend an emergency appropriation bill or emergency appropriation bills, which may be amended in the manner set out herein, and such emergency appropriation bill, or bills, when enacted, shall continue in force only until the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill shall become effective, unless otherwise provided by the General Assembly. Provided that the Capital Improvement Appropriations Bill may be considered before the Current

Operations Appropriations Bill has been adopted in whole or part or rejected.

The General Assembly may also increase any appropriation set out in the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill and may provide additional appropriations for other purposes if additional revenue or revenues, equal to the amount of such additional appropriations and increases, are provided for by corresponding amendment to the Budget Revenue Bill. No bill carrying an appropriation shall thereafter be enacted by the General Assembly, unless it be for an object or objects therein described and shall provide an adequate source of revenue for defraying such appropriation, or unless it appears from the budget report or the Budget Revenue Bill that there is sufficient revenue available therefor. The appropriation, or appropriations, in such bills shall be in accordance with the classification used in the budget.

Reports to or of the appropriations committees or their subcommittees indicate action by the General Assembly when they are used in preparation of or amendment to appropriations acts. (1925, c. 89, s. 16; 1929, c. 100, s. 17; 1983 (Reg. Sess., 1984), c. 1034, ss. 159-161; 1987, c. 876, s. 12.)

§143-15.1. Current Operations Appropriations Act; General Fund Financial Model.

(a) The General Assembly shall enact the Current Operations Appropriations Act by June 15 of odd-numbered years and by June 30 of even-numbered years in which a Current Operations Appropriations Act is enacted. The Current Operations Appropriations Act shall state the amount of General Fund appropriations availability upon which the General Fund budget is based. The statement of availability shall list separately the beginning General Fund credit balance, General Fund revenues, and any other components of the availability amount.

The General Fund operating budget appropriations, including appropriations for local tax reimbursements and local tax sharing, for the second year in a Current Operations Appropriations Act that contains a biennial budget shall not be more than two percent (2%) greater than the General Fund operating budget appropriations for the first year of the biennial budget.

(b) The General Assembly shall review the results of the General Fund Financial model, a computer-based financial model used to project long-term expenditure and revenue trends under various simulations, in its budget deliberations. The model shall be maintained and, from time to time, updated by the Fiscal Research Division of the General Assembly. (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 993, s. 11; 1993 (Reg. Sess., 1994), c. 769, s. 11.3.)

§ 143-15.2. Use of General Fund credit balance.

The State Controller shall reserve up to one-fourth of any unreserved credit balance, as determined on a cash basis, remaining in the General Fund at the end of each fiscal year to the Savings Reserve Account as provided in G.S. 143-15.3, unless that would result in the Savings Reserve Account having funds in excess of five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax-sharing funds if directly appropriated; in that case, only funds sufficient to reach the five percent (5%) level shall be reserved. The State Controller shall also reserve from the unreserved credit balance, as determined on a cash basis, remaining in the General Fund three percent (3%) of the replacement value of all State buildings supported from the General Fund, at the end of each fiscal year to the Repairs and Renovations Reserve Account as provided in G.S. 143-15.3A. The General Assembly may appropriate that part of the anticipated General Fund credit balance not expected to be reserved to the Savings Reserve Account or the Repairs

and Renovations Reserve Account only for capital improvements or other one-time expenditures. As used in this section, the term "unreserved credit balance" means the credit balance amount, as determined on a cash basis, before funds are reserved by the Controller to the Savings Reserve Account or the Repairs and Renovations Reserve Account pursuant to G.S. 143-15.3 and G.S. 143-15.3A (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 812, s. 7(a), (c); c. 993, s. 12; 1993, c. 321, s. 17.1(a); 1993 (Reg. Sess., 1994), c. 591, s. 5(a); 1995, c. 324, s. 5.2(a); 1996, 2nd Ex. Sess., c. 18, s. 7.1(a).)

§ 143-15.3. Savings Reserve Account.

(a) There is established a Savings Reserve Account as a restricted reserve in the General Fund. The State Controller shall reserve to the Savings Reserve Account one-fourth of any unreserved credit balance remaining in the General Fund at the end of each fiscal year until the account contains funds equal to five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax-sharing funds. If the balance in the Savings Reserve Account falls below this level during a fiscal year, the State Controller shall reserve to the Savings Reserve Account for the following fiscal years up to one-fourth of any unreserved credit balance remaining in the General Fund at the end of each fiscal year until the account again equals five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax-sharing funds. As used in this section, the term "unreserved credit balance" means the credit balance amount, as determined on a cash basis, before funds are reserved by the Controller to the Savings Reserve Account or the Repairs and Renovations Reserve Account pursuant to this section and G.S. 143-15.3A.

(b) The Director may not use funds in the Savings Reserve Account unless the use has been approved by an act of the General Assembly. (1991, c. 689, s. 346; 1991 (Reg. Sess., 1992), c. 812, s. 7(b), (c); c. 900, s. 11; c. 993, s. 13; 1993, c. 321, ss. 17.1(c), 21.2; 1993 (Reg. Sess., 1994), c. 591, s. 5(b); c. 769, s. 7.27(b).)

§ 143-15.3A. Repairs and Renovations Reserve Account.

(a) There is established a Repairs and Renovations Reserve Account as a restricted reserve in the General Fund. The State Controller shall reserve to the Repairs and Renovations Reserve Account three percent (3%) of the replacement value of all State buildings supported from the General Fund, at the end of each fiscal year. As used in this section, the term "unreserved credit balance" means the credit balance amount, as determined on a cash basis, before funds are reserved by the Controller to the Savings Reserve Account or the Repairs and Renovations Reserve Account pursuant to this section and G.S. 143-15.3.

(b) The funds in the Repairs and Renovations Reserve Account shall be used only for the repair and renovation of State facilities and related infrastructure that are supported from the General Fund. Funds from the Repairs and Renovations Reserve Account shall be used only for the following types of projects:

- (1) Roof repairs and replacements;
- (2) Structural repairs;
- (3) Repairs and renovations to meet federal and State standards;
- (4) Repairs to electrical, plumbing, and heating, ventilating, and air-conditioning systems;
- (5) Improvements to meet the requirements of the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq., as amended;
- (6) Improvements to meet fire safety needs;

- (7) Improvements to existing facilities for energy efficiency;
- (8) Improvements to remove asbestos, lead paint, and other contaminants, including the removal and replacement of underground storage tanks;
- (9) Improvements and renovations to improve use of existing space;
- (10) Historical restoration;
- (11) Improvements to roads, walks, drives, utilities infrastructure; and
- (12) Drainage and landscape improvements.

Funds from the Repairs and Renovations Reserve Account shall not be used for new construction or the expansion of the footprint of an existing facility unless required in order to comply with federal or State codes or standards.

The Director of the Budget shall not use funds in the Repairs and Renovations Reserve Account unless the use has been approved by an act of the General Assembly or, if the General Assembly is not in session, the Director of the Budget has first consulted with the Joint Legislative Commission on Governmental Operations under G.S. 143-15.3A(c).

(c) The Governor shall consult with the Joint Legislative Commission on Governmental Operations before making allocations from the Repairs and Renovations Reserve Account.

Notwithstanding this subsection, whenever an expenditure is required because of an emergency that poses an imminent threat to public health or public safety, and is either the result of a natural event, such as a hurricane or a flood, or an accident, such as an explosion or a wreck, the Governor may take action under this subsection without consulting the Commission if the action is determined by the Governor to be related to the emergency. The Governor shall report to the Commission on any expenditures made under this paragraph no later than 30 days after making the

expenditure and shall identify in the report the emergency, the type of action taken, and how it was related to the emergency. (1993, c. 321, s. 17.1(b); c. 561, s. 16; 1993 (Reg. Sess., 1994), c. 591, s. 5(c); 1995, c. 324, s. 5.2(b); 1996, 2nd Ex. Sess., c. 18, ss. 7.1(b), 7.4(b), (d).)

§ 143-15.3B. The Clean Water Management Trust Fund.

(a) The Clean Water Management Trust Fund is established in G.S. 113-145.3. The State Controller shall reserve to the Clean Water Management Trust Fund six and one-half percent (6.5%) of any unreserved credit balance remaining in the General Fund at the end of each fiscal year. As used in this section, the term "unreserved credit balance" means the credit balance amount, as determined on a cash basis, before funds are reserved by the State Controller to the Savings Reserve Account, the Repairs and Renovations Reserve Account, or the Clean Water Management Trust Fund pursuant to this section, G.S. 143-15.3, and G.S. 143-15.3A.

(b) The funds in the Clean Water Management Trust Fund shall be used only in accordance with Article 13A of Chapter 113 of the General Statutes. (1996, 2nd Ex. Sess., c. 18, s. 27.6(b).)

§ 143-15.3C. Work First Reserve Fund.

(a) The State Controller shall establish a restricted reserve in the General Fund to be known as the Work First Reserve Fund. Funds from the Work First Reserve Fund shall not be expended until appropriated by the General Assembly.

(b), (c) Repealed by Session Laws 1999-237, s. 6. (1997-443, s. 12.12A; 1999-237, s. 6(g).)

§ 143-15.4 General Fund Operating budget size limited.

(a) Size Limitation. Except as otherwise provided in this section, the General Fund operating budget each fiscal year shall not be greater than seven percent (7%) of the projected

total State personal income for that fiscal year. For the purpose of this section, the General Fund operating budget includes any appropriations for local tax-sharing, but does not include appropriations for (i) capital expenditures or (ii) one-time expenditures due to natural disasters, federal mandates, or other emergencies.

(b) Increase in Size Limitation. To the extent that any percent increase in appropriations for a fiscal year for (i) Medicaid, (ii) operating of prisons, or (iii) the costs of providing health insurance for teachers and State employees, exceeds the percent increase in State personal income growth for the same period, the limitation on the size of the General Fund operating budget provided in subsection (a) of this section for that fiscal year shall be increased by the dollar amount represented by the excess percentage. For all subsequent fiscal years, the percent limitation contained in subsection (a) shall then be increased to reflect that dollar adjustment.

(c) Fiscal Reports. The Office of State Budget and Management and the Fiscal Research Division of the General Assembly shall each submit a tentative estimate of total State personal income for the upcoming fiscal year to the General Assembly no later than February 1 of each year. The Office and the Fiscal Research Division shall each submit a final projection of total State personal income for the upcoming fiscal year to the General Assembly no later than May 1 of each year. The General Assembly shall use the lower of the two final projections to calculate the limitation on the size of the General Fund operating budget provided in this section. (1991, c. 689, S. 346; 1991 (Reg. Sess., 1992), c. 993, s. 14.)
